

Solving Data Headaches for Wealth Managers

Oct. 2025

collation.ai

The Data Nightmare

Your team is drowning in manual work

Disconnected Data

3 hours

wasted daily aggregating data

Manual Processing

2 weeks

delay preparing reports

Repetitive Work

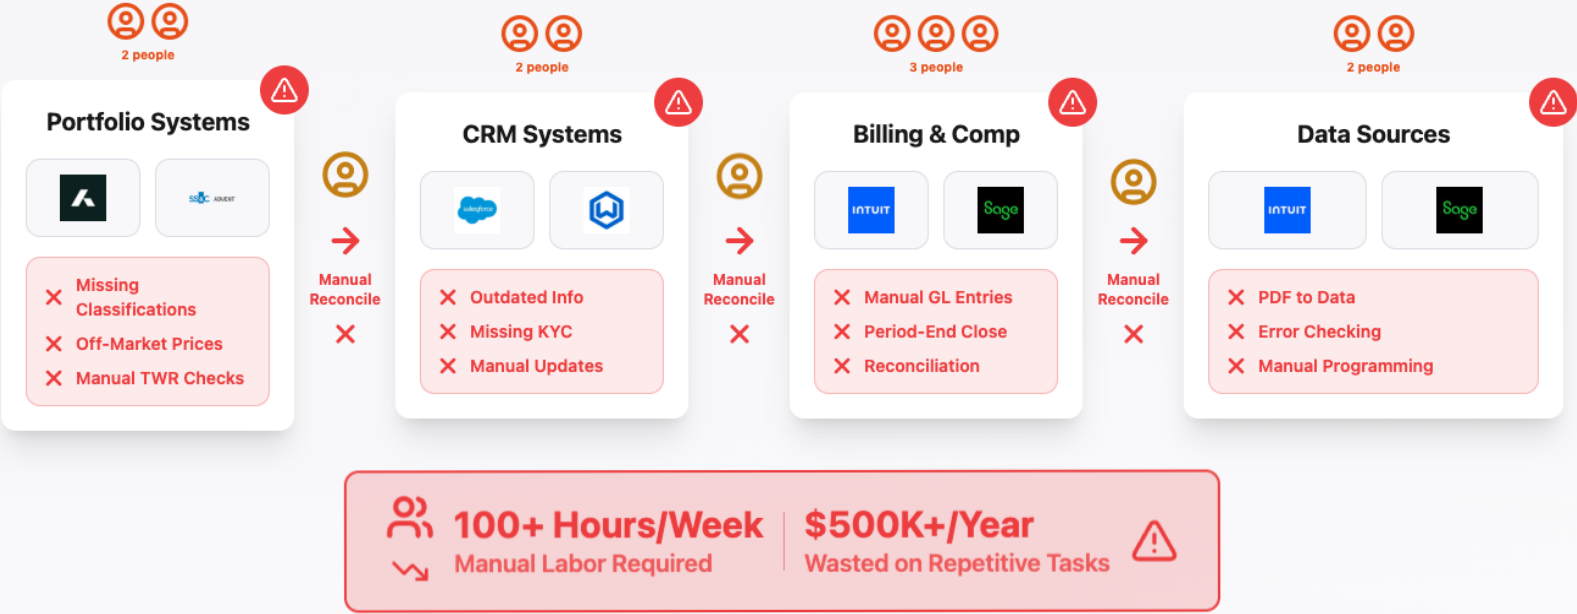

15 hours

per week on data entry

! Your team is spending 20+ hours per week on manual data work

Current Solution: Throw People at the Problem

Slow • Expensive • Error-Prone

One Simple Solution = collation.ai

FUTURE-PROOF TECH STACK

The need for a **Data warehouse won't change** but the tools (e.g. CRM, PMS, LLM, Vibe-coding) you connect to your database **will change**.

Implementation Roadmap

What does an implementation look like?

Quick and comprehensive implementation. Fully functional in days.

1 Book a Call

Schedule a 30-min free consultation with our Agentic AI Bot experts.
We will delve into your specific business challenges & objectives, and pick the best Bot for the job out of our Bot Library.

2 Discuss Challenges & Suggest the AI Bot(s)

\$0, no change, no risk, no stress Proof Of Concept.
You don't need specialized headcount on your side. We are not changing / breaking anything in your tech stack. All the magic happens in the data warehouse. The PoC is quick, effortless, and free of charge!

3 5 Minutes - Centralised Data Warehouse is created

Your data warehouse is created within 5 Minutes.
You decide where your data should be hosted; your cloud or Collation.AI's cloud.

4 1-3 Days - Data starts flowing

You give Collation.AI access to your data.
Your data starts flowing into your data warehouse within 1-3 business days. We use the best tool for the job; APIs, Bots, web scraping, etc.

5 5-10 Days - Start seeing Insights on your Data

Once the Bots have pulled in All of your Data into your data warehouse
You start seeing your first set of insights on your data via online dashboards within 5-10 business days.

Pricing

Factors affecting Pricing

- Number and type of data sources
- Does the data need to be scrubbed?
- Number of Reports that need to be built
- Whether Collation or Client is hosting the Data Warehouse etc.

USD 30K

Setup (one-off)

USD 30K

Recurring per year

**Average Pricing for Clients.*

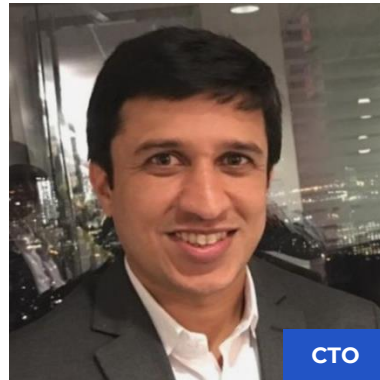

About us: The Finance & Technology Experts

We represent the knowledge intersection of family offices, tech firm service culture, accounting/performance, and AI.
